SUBJECT: Briefing Mr. Kent Crane, Intelligence Project Director of the Commission on the Organization of the Government for the Conduct of Foreign Policy (Murphy Commission)

BACKGROUND: On 13 November 1974, Mr. Crane contacted the Director, DIA, and asked for a briefing on "DIA organization and functions, interface with the Military Services, and products being produced".

DISCUSSION:
a. The requested briefing was held between 1500 and 1700 hours, on 26 November 1974, in the DC Conference Room. Agenda for the briefing is attached (enclosure 1).

b. Mr. Crane appeared extremely pleased with the DIA presentations. He made extensive notes and asked numerous questions (the most important of these are summarized in enclosure 2, as an indication of Mr. Crane's interests).

c. Because of a conflict in the visitor's schedule, insufficient time was available for the DC presentation. Mr. Crane asked that he may be allowed to return, to hear the DC presentation and to question previous briefers.

d. A second meeting is planned (date and time to be established during the week of 2 December) to complete the DIA briefings and to allow time for Mr. Crane to question the briefers. He has also expressed the desire to meet with Mr. Opper.
